LOW MULTI DECK CABINET

Available in the following lengths: 4ft, 6ft, 8ft & 12ft

Concord's Low-Multi Deck Cabinet can be supplied as a Chiller or a Heated unit. It can also be supplied as a remote or self-contained unit.

This robust and efficient refrigerated unit is designed to easily draw the shopper's attention to the products inside it and give easy access to the customer and the merchandiser.

The Low-Multi Deck Cabinet can be customised with a choice of internal and external colours, bumpers, nudge bars and side panels.

This model is specifically for displaying Chilled or Heated Goods
