

Concord Shelving

2025 V2

CONCORD SHELVING

Concord Retail Solutions are proud to be the exclusive agents for a world-class shelving solution, expertly manufactured in Turkey to the highest standards of quality and innovation.

While benefiting from international manufacturing excellence, we maintain stock locally to ensure fast and reliable service for the South African retail market. Our shelving systems are designed for versatility, durability, and superior performance across retail, commercial, and food display sectors.

This strategic approach allows us to combine global quality with prompt availability, meeting the unique demands of South African businesses efficiently.

We invite you to explore this exceptional shelving range and partner with us for your next project.

With thanks from the Concord Team

DISCOVER OUR SHELVING SOLUTIONS

Introducing Concord Shelving's versatile systems: the classic Traditional Gondola Shelving and the innovative Smart Shelving.

These two distinct systems are designed to integrate effortlessly. You can seamlessly transition from a run of Gondola shelving on one side to Smart Shelving on the other, using the same uprights and posts for a cohesive and flexible setup.

Crafted through a state-of-the-art, fully automated robotic process and supported by eight international design patents, our Concord Shelving guarantees the highest quality in shelving systems available. Enhance your space with the best in the industry.

Strongest shelves on the market

Shelf Type	Shelf Size (mm)	Load Capacity (Kg)
Base Shelf with Reinforcements	915 x 400	410
Base Shelf with Reinforcements	915 x 500	490
Base Shelf with Reinforcements	915 x 600	570
Upper Shelf (Gondola)	915 x 300	165
Upper Shelf (Gondola)	915 x 400	240
Upper Shelf (Gondola)	915 x 500	255
Upper Shelf (Gondola)	915 x 600	340
Upper Shelf (Smart Shelving)	915 x 300	400
Upper Shelf (Smart Shelving)	915 x 400	400
Upper Shelf (Smart Shelving)	915 x 500	400
Upper Shelf (Smart Shelving)	915 x 600	400

R E T A I L S O L U T I O N S

Exceptional Service:

Our dedicated team ensures personalized, professional support from start to finish

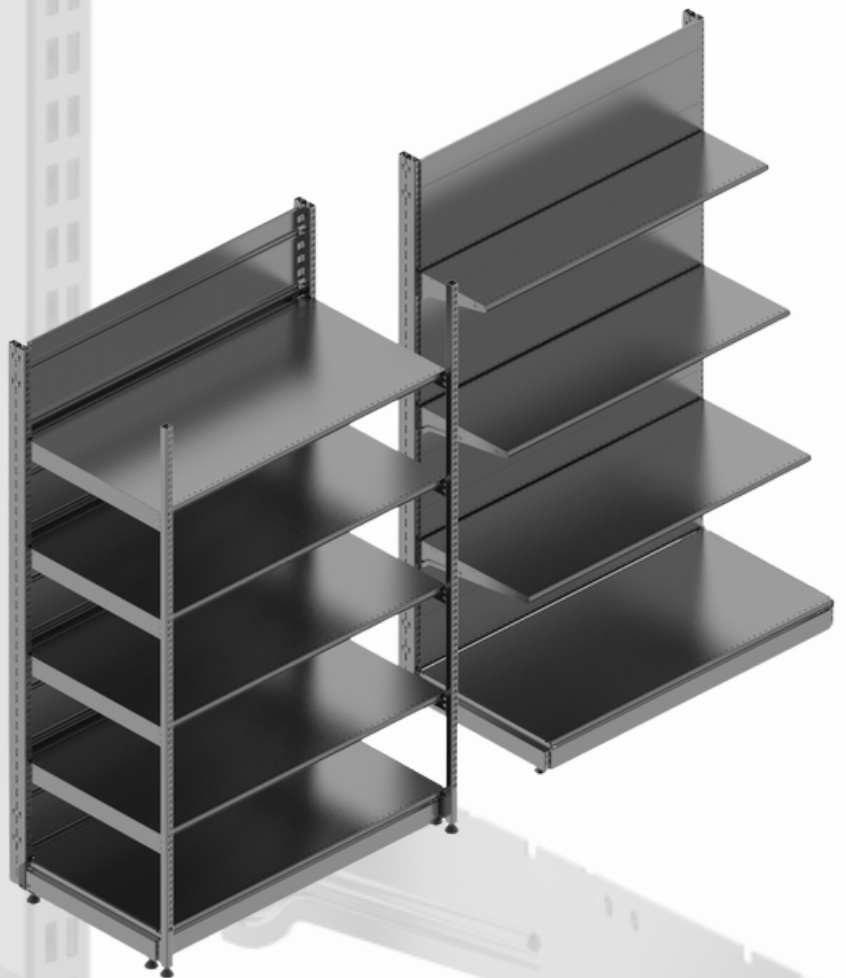

Fast Turnaround Time:

Designed & manufactured robotically in Europe
Stocked & delivered from Durban, South Africa

Strength In Design:

With Load Bearing Capability of up to 400kgs per shelf
Engineered with 8 International Patents

Locally Competitive Pricing for a world class product

WHERE THE WORLD'S GREATEST DESIGN, MEETS SOUTH AFRICAN STRENGTH

Gondola Shelving
